

"Within the Law" at Lexington.

Lovers of good plays and fine acting are certain to welcome the announcement that "Within the Law," Bayard Veiller's absorbing new play of modern American life, which was the current dramatic sensation in New York and Chicago, is to be given its initial local presentation on Friday and Saturday and Saturday matinee, at the Lexington Opera House, under the managerial sponsorship of A. H. Woods, famous as the producer of "Madam Sherry," "Gypsy Love," "The Littlest Rebel," "The Fascinating Widow" and other of the most successful attractions of recent years.

Forsaking the conventional paths Mr. Veiller has in "Within the Law" devised a virile and exciting drama of a certain phase of contemporary life in the larger cities that appeals with equal force to every class of the audience. The story is that of a young girl who is unjustly convicted and sent to prison for theft who tries to live honestly when released, but is hounded by the police until she loses her position, and who then turns on them and matches her wit against their brutality, keeping "within the law" and employing the intricacies and false standards of the law to shield her from arrest. She develops ingenuity, daring and makes the man who sent her to prison pay for her four years of drudgery for him and her three years in a felon's cell, almost breaking his heart through his son and heir.

For "Within the Law" Mr. Woods has engaged an adequate cast of individual and collective excellence while the extensive scenic investment required for the production is magnificent.

Deafness Cannot be Cured.

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness, caused by catarrh, that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Proper Course of Life.

A man's purpose of life should be like a river, which was born of a thousand little rills in the mountains; and when at last it has reached its manhood in the plain, all its mighty current flows changeless to the sea.—H. W. Beecher.

If you have young children you have perhaps noticed that disorders of the stomach are their most common ailment. To correct this you will find Chamberlain's Stomach and Liver Tablets excellent. They are easy and pleasant to take, and mild and gentle in effect. For sale by all dealers.

Normal Education.

If education were normal, we would find it a wide, free, subtly adjusted system of transference of knowledge wherein each and all could delightedly bring their minds to be fed, life-long; and wherein those most gifted as teachers: i. e., most enjoying the active side of that transference, could delightedly do the feeding.—Gilman.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a druggist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Enos Loller, of Sarasota, Ind., "and consider it the best on the market." For sale by all dealers.

**AUTOMOBILE AND
PRIZE CAMPAIGN.**

may be cast. Cut the coupons from the paper and bring or mail to the Campaign Manager. That's one way to get votes. But by far the easier, more rapid and more productive way is ask your friends to give you their subscriptions to the Bourbon News. Read the scale of votes carefully. You will find that so many votes are given on each subscription to the News.

NOW ON DISPLAY.

Have you seen the new Studebaker Flanders Touring Car? If not, drop around to the Bourbon Garage and ask them to let you have a look at the automobile which the News is going to give away. You will find very accommodating people at the garage who will be glad to show you the car and tell you of its fine qualities.

Then there's the Diamond Rings and Elgin Watches. They are on display in the window of Shire & Fithian, of whom they were purchased. The Diamonds are perfect stones and are backed by the personal guarantee of this reliable firm. The watches, too, are beauties and we are sure the winners will be greatly pleased with them.

THE PRIZES.

In buying prizes, conservatism has been thrown to the winds, no expense has been spared and some idea may be gained by the following in that a generous scale all the prizes have been purchased. It all came about this way. Not content with giving value received in the news line the Bourbon News developed a generous streak and decided to do something really handsome for the benefit of its readers and incidentally provide a little sensation which we are firmly convinced will develop into a big one before the next few weeks have passed. The prize list given here is more than double the amount ever given by any semi-weekly paper in this state.

THE CAPITAL PRIZE.

The Grand or Capital Prize offered in this great campaign is a handsome \$910 Flanders touring car—one of the best known and most reliable cars in the country. It was purchased especially for this great campaign from the Bourbon Garage and is now on display. It is a machine of superb mechanical qualities and will excite the greatest interest in every locality where the joy of automobilism is known. The desire is intense in every wide awake person to own a beautiful car that means so much personal joy and for the entertainment of family and friends. The publisher of the Bourbon News takes the greatest pleasure in being able to put such a machine in the possession of some popular person in this section as a reward for their industrious efforts during the next few weeks.

THE DISTRICT PRIZES.

The District Prizes consist of beautiful Diamond Rings and handsome Elgin Watches. They were purchased especially for this great campaign from the well known and reliable firm of Shire & Fithian. The Diamond Rings are indeed sparkling gems of beauty and the winner of any one of them may well feel proud of them. They are perfect stones and the reputation of the above firm stands back of them.

There are two 1b jeweled Elgin Watches and two 7 jeweled Elgin Watches. The name of the Elgin Watch is so well known as a most reliable timekeeper that it is hardly necessary to give a further description of them. All of the district prizes will be on display in the window of the jewelry store of Shire & Fithian.

WHO MAY ENTER.

Any person, lady or gentleman, boy or girl, living in this section of Kentucky may enter this campaign. It costs nothing to enter or try for any of the prizes. They do not have to be subscribers to the Bourbon News in order to enter; all that is necessary is to fill out the nomination blank with your name or the name of the person you wish to enter, and bring or send it to the Campaign Dept., The Bourbon News, Paris, Ky. The nomination blank will count 1,000 votes for the party so nominated. Votes may be clipped from the paper or secured on subscriptions. The votes which appear in the News are good for 25 votes each if voted before the date of expiration printed on the coupon. Those issued on subscriptions as shown in another part of this announcement. Under the campaign arrangement, you only have to compete against the candidates in your own district to secure any of the district prizes. Candidates and their friends may secure votes and subscriptions anywhere.

HOW TO ENTER.

Fill out the nomination blank found elsewhere in this issue and send it to the Campaign Dept., The Bourbon News. Full details of the campaign and printed matter for use in getting your campaign started will be sent you.

The candidate standing fourth in each of the two districts after the grand prize has been awarded will

RULES OF THE CONTEST.

The campaign is open to every white person possessing good character, residing within the limits of the territory of the contest.

Candidates and their friends may secure subscriptions anywhere. No special ballots will be issued for less than two dollars.

Candidates must be entered from the district in which they reside, and cannot move from one district to the other and retain the votes to their credit in the former district.

The campaign manager reserves the right to reject any candidate and to pass final judgment on any question which may arise.

Votes once issued cannot be changed to count for another candidate.

Candidates compete only against the contestants living in the same district as themselves for the district prizes.

The campaign manager reserves the right to make any changes or alterations in the rules and conditions that may be necessary to the best interests of the contest.

No promise, or agreement, either written or verbal, made by agents, solicitors or representatives, other than those published in the Bourbon News will be recognized.

The rules and conditions given above are to govern the contest of The News and all candidates entering the contest agree to be governed by the rules and conditions as above set forth.

HOW VOTES ARE SECURED.

With every subscription to The Bourbon News (when it is asked for) is given a ballot good for a certain number of votes, according to the length of the subscription. These ballots may be held as long as desired and voted at any time up to the last day of the contest. In fact, it is well to hold back a large per cent of your vote ballots, as then no one knows how many votes you have, and are less likely to have someone who knows that you have turned in all of your subscriptions, and had the vote published, to step in the last moment and get the prize you desire. If you hold back part of your ballots no one knows, not even the contest department, for no record is kept of vote ballots issued to you, how many votes you have.

Teeth for Circular Saw.

Every other tooth in a new circular saw for cutting tool steel is a trifle longer than its neighbor, the long teeth making the center of the cut and the short ones, which are thicker, gouging out the sides.

Here is a woman who speaks from personal knowledge and long experience, viz., Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For cough there is nothing that excels it." For sale by all dealers.

Lack of Proper Courtesy.

There used to be a time, not so very long ago, when if one borrowed anything from a book to a shoe lace one was expected to return it promptly and in good condition. With our younger set one may consider it a miracle if one gets anything back under six months if at all. "I forgot," or "I lost it," seem to be all the apology that many young girls deem necessary.—Exchange.

The Danger After Grip

lies often in a run down system. Weakness, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys follow an attack of this wretched disease. The greatest need then is Electric Bitters, the glorious tonic, blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen the nerves, build up the system and restore to health and good spirits after an attack of grip. If suffering try them. Only 50 cents. Sold and perfect satisfaction guaranteed by Oberdorfer.

Farm for Sale**

On the 23d day of November at 2 o'clock we will offer for sale to the highest bidder the Old Lloyd Farm of 256 acres on the Salem turnpike, one and one-half miles southeast of Germantown in Mason county. This farm has been in continuous possession of the Lloyd family since 1832. It has had careful management, has always been a famous tobacco farm, and is now in a high state of cultivation.

This farm can be divided to advantage and will be offered for sale in parcels and as a whole. There is a good two-story dwelling, a tenant house, all necessary outbuildings, barn room for 25,000 pounds of tobacco, a never failing and well distributed supply of stock water, and fencing in good condition.

The place is one and one-half miles from churches and schools on a good turnpike that leads to the stable door. This farm pays a good per cent farmed on the tenant system and is desirable either as an investment or as a home.

Flanders "20" Roadster, \$750

Don't be alarmed if somebody tells you you can buy an automobile for less money than the \$750 Studebaker-Flanders "20." You can, but you better not. The Flanders "20" corresponds point by point with the best and highest priced cars sold. Cheaper cars at every vital point are built on ideas long ago discarded for good cars. Don't take our word for it. Make comparisons and see.

The Studebaker-Flanders "20" is a marvel—a high grade modern car at a low price. If you pay less you buy much less. And the cheaper car today will cost you far more in the long run. The competing car isn't sold which the Studebaker Corporation, the greatest automobile manufacturers in the world, couldn't reproduce for less money; but we won't build a cheap car, because the name "Studebaker" means the best for your money.

If you are content with a car that runs today and dies tomorrow, don't buy the \$750 Flanders "20." It will wear for years. Remember this—the Studebaker-Flanders "20" will outwear 2 to 1 any other car under \$1100 and give you double satisfaction, confidence and comfort into the bargain.
